Zone Public Speaking Finals Held At Minden Public School

Wendy Preston of No. 4 Manders Public School was declared the winner of the Grade 7 and 8 section of the zone Public Speaking finals at the Minden Public School last Friday evening. Her topic was a very personalized treatment of the life story of a lobster.

Rosemary Elstone of Haliburton Highlands Secondary School gave a chilling introduction to her topic, "Capital Punishment". She was declared winner of the Secondary School prepared speech section.

The Secondary School impromptu speech section was won by Roger Calverly, who spoke ably about William Shakespeare.

The three winners of the zone finals are now eligible to compete in the Provincial Finals to be held during the Easter vacation week at the King Edward Sheraton Hotel, Toronto.

Mrs. E. Kennedy of Fenelon Falls presented the Elementary School Trophy to Wendy Preston. The Public Relations Officer of Ontario Hydro, one of the sponsors of the contest, Rory O'Donal

presented the Secondary School trophies. Each contestant on the Secondary School level received from the County of Victoria Council, a co-sponsor, a book entitled "This Is Your Century". Mr. F. Weldon congratulated each young person who participated.

The chairman for the evening was Mr. B. Maidens who introduced the judges, Mrs. D. Stinson, Mrs. E. Kennedy, and Rev. O.G. Locke, and timer Mr. H. Morgan.

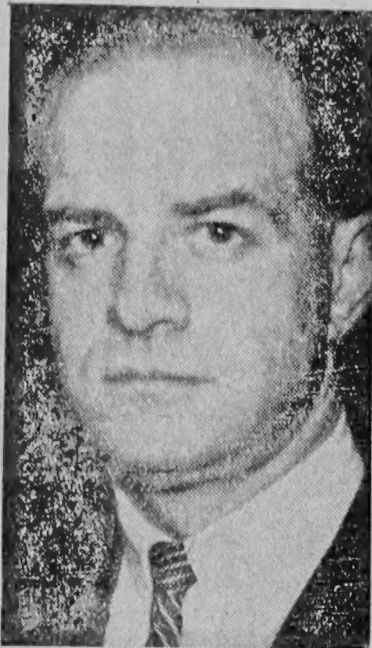

Other contestants were: Dale Holland of Wilberforce Consolidated Elementary School; Carol Beatty of Brock District High School; George Coppins of Fenelon Falls District High School; Robert Brown of Lindsay Collegiate Vocational Institute; and Terry Malcolm of Brock District High School.

Mr. Gilmour, Chairman of the Minden Township School Area Board welcomed the gathering to the school and stated that it was a pleasure to be part of this educational experience provided by the organizers of the Public Speaking Contest.

Named President Of Association

Lawyer George Inrig of Lindsay was unanimously elected President of the Victoria - Haliburton - Ontario North Progressive Conservative Association at the Annual Meeting held last Wednesday in Lindsay.

He succeeds Roy Windover of Minden.

GEORGE INRIG

Remainder of the executive includes Murray Agnew, Wilberforce, First Vice-President; Mrs. A. J. Burke, Lindsay, Second Vice-President; Carl Hickson, Reabro, Third Vice-President; Stanley Oliver, Lindsay, Fourth Vice-President; Casement Davidson, Oakwood, Fifth Vice-President. The remaining four vice-presidents will be named shortly.

Gordon Pepper of Lindsay was returned as Secretary and William Allen of Fenelon Falls was elected Treasurer. Auditors will be appointed by the executive at its first meeting.

Crusade For Christ

The Haliburton Highlands Crusade for Christ is scheduled for the High School Auditorium at Haliburton starting on March 26 and continuing through until April 2nd, nightly at 8 p.m.

Back with us once again will be the Campbell - Reese Evangelistic team. A choir with special singing will also be in attendance each night of the Crusade.

We have been informed that many of the local churches will be participating. Special transportation with special buses will be running nightly from most centres in the County. Plan now to attend this Crusade for Christ.

Anglican Parish Social

An informal get-together for Anglicans in Haliburton, Maple Lake and West Guilford will be held at Halimar Lodge on Saturday evening, March 18 at eight o'clock.

We are privileged to have as guests Rev. and Mrs. Don Peel and their five daughters, Margaret, age 18, Mary 16, Joy 13, Lois 12 and Sara 9. Rev. Peel is a prayer partner of St. George's Evening Branch of the W.A., who is a missionary in India and he and his family are presently home in Canada on furlough. Rev. Peel will show slides on his work in India which will give us some insight of the people he works with and the problems they face in that country.

This social evening will provide an excellent opportunity to become acquainted with the Peel family and to take a personal interest in this fine young missionary who will soon return to India.

A warm invitation is extended to all members of the congregations of these three churches to enjoy a social evening together and to meet our guests.

Dysart Council Hold Lengthy Meeting

Dysart Council held their regular monthly meeting on Monday of this week, and at the outset of said meeting Reeve Brohm warned council that this could well be a two-day affair which it turned out to be.

As this council meeting was of so long a duration we will try and bring our readers up to date on what happened and be as brief as possible.

In the future all culverts installed by the municipality will be a minimum of at least 15 inches.

Mr. Glenn Austin appeared before council with two officials of the Texaco Oil Company with plans for remodelling the present plant. It was stated that owing to the fact that train service had been curtailed to Haliburton, the need for additional storage facilities was a necessity. Texaco stated that they were prepared to spend \$50,000 to improve their premises providing the municipality would give the go ahead. The council have approved and work on this project will get underway shortly.

Dr. Harry E. Good was asked to appear at the council chambers and requested to assume the duties of Medical Officer of Health. This position is now vacant owing to the sudden death of Dr. L. H. Carroll. Dr. Good,

when asked what could be done about the problem at the Laundromat, stated that there would be no problem at all if we had sewage.

Mr. Murray Fearrey has been engaged as Assistant to the Assessor; his duties to commence on April 1st.

The resignation of Mrs. Irene Hill from the Library Board was accepted with regret.

Welfare Accounts for the month of February amounted to \$1,175.23, down from the previous month when the total was \$1,265.05.

Rumours have been circulating recently regarding a few members of our local fire brigade appearing for a short time at the Monday night meetings and collecting full pay. The Clerk was asked to table the time book, which showed that several members were drawing their pay while attending other meetings. This did not suit council who felt that those who put in their full time certainly deserved their full pay, but they failed to see why others who were absent should receive full pay.

When Fire Chief Sid Roberts was asked regarding this matter he admitted that in some cases members were not present full time but said he did not clock

Letters To The Editor

Eagle Lake, Ontario,

March 13, 1967.

The Haliburton County Echo,
Haliburton, Ontario.

Dear Sirs:

As a taxpayer for many years in the Municipality of Dysart I think that I deserve some service in return. My road is blocked every winter but my taxes rise every year.

I never had even one day's work in return in this township but have to travel hundreds of miles to find work. And when I do come home I bring cash, not a credit card.

How about some protection? Who is going to pay for damages due to destruction to my property from 1961 to 1967? On March 4th when I returned home I noticed that a beautiful tree on

my lawn in front of my house, which I planted and cared for for nine years, had been cut.

I have hundreds of Christmas trees in the bush in which to choose from but someone deliberately cut the five-foot tree on the ground to disgrace the house. The top went to someone's home for a Christmas tree.

I only wish the people would leave us alone.

Geo. Poleschuk.

A TRIBUTE

It is not given to us to know what happens to us when we leave this troubled world, but had the late Dr. L. H. Carroll who was taken from our midst so suddenly on Thursday last been permitted to peer through the veil of tears that separate this life from the great beyond, we feel that he would have been filled with a sense of gratitude at the genuine expressions of grief exhibited by friends from every section of this area.

On Friday citizens from all walks of life filed by the casket in the Funeral Chapel of John Welch and Son in Minden, and on Saturday his funeral, which was held in St. George's Anglican Church, Haliburton, was in our opinion the largest service of its kind ever held from this church which was filled to capacity and a larger number of persons paid their final tribute by being present on the spacious grounds which surround St. George's.

It might be said that Dr. Carroll never went out of his way to make friends, in fact many of the causes that he exposed were anything but popular especially in this area. In short it might be said the deceased was not a conformist in any sense of the word. The late Dr. Carroll like the rest of us had his short-comings, but the contribution he rendered this community in the thirty years he spent here would be hard to estimate.

The loss of a doctor is a blow to any community at any time, but at this time it is doubly so in view of the acute shortage of medical practitioners throughout this great country. And if what one reads, the situation is going to get worse as in this day and age no one apparently is anxious to work more than eight hours a day and at present our doctors are greatly over-worked with little chance of rest day or night.

The late Dr. Carroll served for a time in municipal politics, and it can be truly said that during the time he was in office people took more interest in municipal affairs than before or since. The deceased was an ardent hockey fan and for a time he was coach of the Haliburton Huskies. He not only guided the team but attended to any player who sustained injuries while playing. At the

hockey game played in Haliburton on Saturday evening last a minute's silence was observed as a token tribute for the contribution made by the late Dr. L. H. Carroll to the cause of hockey in Haliburton. The doctor encouraged his own boys to get out and play hockey and he missed many games. We are informed that while attending the University of Toronto that the late Dr. Carroll was a member of the football and lacrosse teams. Also playing on that lacrosse team was our present Prime Minister, Hon. L. B. Pearson.

At this time we join a host of citizens from far and near in extending our sincere sympathy to the family of the late Dr. Carroll as they will greatly miss him, but they can take comfort and pride that he passed away while endeavouring to relieve the suffering of his fellowman.

Pictured above is Miss Connie Crarey who was crowned Haliburton Snowmobile Queen at the Snowmobile Rally Ball held recently at the Legion Hall in Haliburton.

Mrs. M. Fleuty To Be F.A.W. Co-Leader

Mrs. Mary Fleuty, mother of two children and grandmother of six, will be acting as co-leader of the Faith At Work "New Horizons For Haliburton" weekend to be held in Haliburton on April 20th to 23rd. She and her husband own and operate a funeral home in Cooksville. Mrs. Fleuty is herself a licenced embalmer. She is also Past President of the Hamilton conference of the U.C.W., Past President of the women's Presbytery and serves on the Board of the F.A.W. for Canada and the Board of Hidden Springs Rehabilitation Centre near Brantford. She will be directing a Workshop "How To Help People" on Saturday, April 22nd at 8 p.m., as well as sharing her experiences at coffee parties which will be held in homes throughout the area.

EDITORIALS ...

It's About Time

It's just about time that the businessmen of Haliburton all sat down together for the main purpose of deciding at the beginning of each year as to just what organizations and charities that they will be contributing to.

It seems that the local merchants are the target for every fund seeking drive in the community. On some occasions the local businessman may pay more out in donations than he takes in. Some of the organizations collecting money are worthy of support, but why should the local merchants have to contribute to every dog fight in the community.

Some people seem to be of the opinion that all the local businessmen are all millionaires, but with the exception of a few the remainder are struggling along trying to make ends meet.

If these fund seekers want to raise money then why not collect it from everyone in the community, not just from the chosen few. Some of the citizens in this community could buy and sell most of the businessmen any day of the week, but these are the same people who wouldn't pay a nickel to see Rome burn, and they contribute to absolutely nothing.

It's not fair for a few to have to give all the money when it could be evened out with everyone, and we mean everyone should contribute.

A Job Well Done

This week we would like to take the opportunity to publicly commend the Municipal Employees who have done such a magnificent job in keeping the streets and roads clear of snow in Haliburton and in other parts of the Municipality of Dysart during the winter months.

All one has to do is to travel to other villages, towns and cities and see just how poorly their streets and sidewalks are kept and then you will come back and really appreciate the good job being done here in Haliburton.

In some villages and towns following a snow storm, one can hardly drive a car up the side streets or main street, or even walk on the sidewalks. But here its an entirely different story. So once again our thanks for a job well done.

It's Up To The Parents

The game of hockey which is Canada's National Sport is having one of its most successful seasons. Arenas in many small communities are playing to large crowds. More boys than ever before are playing hockey in Canada.

In Haliburton the Haliburton Minor Hockey Association is just completing one of their greatest seasons since the Association was first organized.

Years of work with these young hockey players is just starting to pay off, as the local teams entered in the various O.M.H.A. groups are putting up a good showing in the playoffs against other centres such as Oak Ridges, Bala, Little Britain and Cannington.

The credit for their performance should go to the men from Haliburton, West Guilford, Donald and Eagle Lake who day in and day out during the hockey season give their time so that these boys can have the opportunity of learning the game.

This year the local Association have more boys playing hockey, more men coaching and managing teams than ever before. But just how much support are the boys, coaches and managers receiving from local hockey fans and supporters?

Let's take last Saturday for instance. Oak Ridges Pee Wees were playing the Haliburton Pee Wees in an O.M.H.A. playoff game at the Haliburton Arena. Parents and fans of the players from Oak Ridges were here in large numbers to support their boys but only a handful of parents and fans from Haliburton and surrounding area were in the Arena to watch their boys perform. Surely to goodness when the parents can come all the way from Oak Ridges to see their boys play, the parents of our local boys should be able to get up to the local arena. Some parents seem to have the idea that all they have to do is drop their boys off at the arena and let the managers and coaches do the rest. If these same parents are not interested enough to go up and watch their boys perform, then the boys will have to go it alone.

This same situation exists in all sections of the Haliburton Minor Hockey Association. Your boys are the citizens of tomorrow so let's help them along and cheer them on the next time they play.

Miss Dorothy Clarke of Willowdale was a visitor here on Saturday.

Mr. and Mrs. Jim Moore and family of North Bay were visitors here over the weekend.

Mr. and Mrs. Wallace Little of Huntsville were visitors here over the weekend.

Mr. and Mrs. Ross Hainer of Toronto were recent visitors at the home of Mr. and Mrs. Mervyn Elstone.

Township Of Stanhope 1966 Auditors' Report

To the Ratepayers, Reeve and Council
of the Township of Stanhope.

We have audited the books and records of your Municipality for the year ended December 31, 1966 and have prepared the attached statements.

Our examination included a detailed check of all banking transactions, a review of accounting procedures followed by the Municipality and the verification of arrears of taxes, as well as the verification of the current tax roll as to assessment and taxes charged thereon. We comment on the financial statement as follows.

CAPITAL AND LOAN FUND BALANCE SHEET

General Fixed Assets - \$5,100.00

No change has been made in the valuation of the general fixed assets of the Municipality.

Due from Schools - Collegiate and High - \$62,399.79

Stanhope's share of the unmatured debenture debt charges on the Haliburton High School amounts to \$62,399.79.

Due from Other Municipal Enterprises - \$44,832.54

This represents Stanhope's share of the unmatured debentures on the Senior Citizens' Home.

REVENUE FUND BALANCE SHEET

Cash in Bank - \$3,607.35

This amount was verified by direct confirmation with the bank concerned. All banking transactions for the year were audited. The above balance has been adjusted to reflect the outstanding cheques at December 31, 1966.

Due from Province of Ontario - \$5,675.41

The amounts due from the Province are summarized as follows:

Road subsidy receivable	\$5,249.20
Winter works receivable	305.61
Relief receivable	120.60
	<u>\$5,675.41</u>

Taxes Receivable - \$14,135.69

This amount represents taxes and interest receivable at December 31, 1966 on 1966 and prior taxes. All unpaid taxes for 1965 and prior, as well as a substantial portion of the 1966 unpaid taxes, were verified by direct confirmation with the ratepayers.

Accounts Payable - \$348.58

This amount represents hydro arrears uncollected and unpaid at December 31, 1966.

Deferred Revenue - \$442.08

This amount represents an overlevy for school purposes of \$426.90 and an overlevy for county purposes of \$15.18. These overlevies should be taken into consideration when striking the rates for 1967.

Reserve for Working Funds - \$10,000.00

The reserve for working funds was increased by \$1,000.00 in 1966 by a charge against revenue.

Surplus - \$13,491.69

The results of operations for 1966 show a surplus of \$5,698.89 after bringing into revenue the 1965 surplus of \$9,208.64.

GENERAL

The books and records of your Municipality are in excellent condition.

We hereby report that in our opinion:

- (1) The financial transactions which have come under our notice have been within the powers of the Municipality.
- (2) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.
- (3) The financial statements present fairly the financial position of the Municipality as at December 31, 1966 and the results of its operations for the year ended on that date.

HUMPAGE, TAYLOR, McDONALD & CO.

Peterborough, Ontario.

February 23, 1967.

Chartered Accountants.

	<u>\$118,216.65</u>

Our Day Tomorrow

Where has all the happiness gone?
What has happened to the robin's song?
Why has all the blue gone from the sky?
Questions asking, where, yes, where and why.
Why does the rain continue to fall?
How it started I don't seem to recall.
What happened to all the happy dreams?
Happiness just disappeared it seems.
All those hopes of yesterday, Have left us for this day to-day.
There's a tomorrow yet to come, Let's hope it will be a happy one.
Yes tomorrow could be our turn, From days like this we often learn.
Happiness has gone to, tomorrow It may take away the hurt and sorrow.
Once in a while we all feel low, But next day you're back on the go.
Happiness has gone to the next day, But its never really too far away.

By Sharon McDougall.

When you're ready to name the day... use the beautiful

RAINBOW WEDDING LINE

INVITATIONS AND ANNOUNCEMENTS

SUGAR AND SPICE

by Bill Smiley

KIM'S THE GREATEST

My daughter had a birthday this week, her sixteenth. That's quite a milestone in a woman's life. Rather like the fortieth milestone, except in reverse. Life is beckoning, not waving.

I'd give my right arm for that girl, even though it's ready to drop off from bursitis, and I've already offered it to the highest medical-research bidder. And she'd take it. I can still write cheques with it, and it still works well enough to reach for my wallet.

Ah, I shouldn't be cynical about my baby. She's the only one I have. Thank God.

She's been causing me painful pleasure since the day she was born. Any normal kid, as you know, is born at 4 a.m. Kim popped, literally popped, into the world at noon. And my wife has never forgiven me.

The Old Girl began to grunt and groan about 4 a.m., but didn't want to disturb the doctor's sleep, and told me it would be about 24 hours before anything happened. She knew all about it, having already had a son, who took about 36 hours getting out of the nest. I knew from nothing.

So we drove sedately to the hospital about 9 a.m., and booked in. She suggested I go to work, as there was no point hanging around hang-doggedly. I said, fearfully, but with the utmost relief, "You're sure you don't need me?" She retorted (bitterly, I learned later), "Don't be silly. It'll be hours." This was about 10 a.m.

I phoned the hospital at noon to ask if it was OK to drop in on my wife and hold her hand. The nurse chortled, "Congratulations! You have a fine baby girl." And the kid has been getting me in dutch ever since.

There's nothing basically wrong with Kim. Except that she's too much like her mother, as far as I'm concerned. And too much like her father, as far as her mother is concerned. Aside from this, she's a perfectly normal, infuriating teenager.

That is, she inhabits the bathroom only about five hours a day. She hates school, but her whole social life is centred there. She loves privacy, with some infernal machine blating

beat-noise. She thinks her parents are the square root of two, the only concession she will make to mathematics.

She doesn't like liver, oysters, mushrooms, vegetables, salad, onions or curry, which makes for a bland diet at our place. She likes steak, imported cheese and any fruit that is out of season, which makes for an expensive grocery bill.

Like all teen age girls, she gets along beautifully with her mother. They agree on everything. Except just about anything you can name.

Like all teen age girls, she is not temperamental. You can rely on her moods. Either furious or radiant.

She claims her parents won't even try to "communicate." This invariably occurs just at bedtime. She'd love an extra hour of communication. Pronounced gossip.

Her choice of apparel is putting her mother over the brink. Rather than wear the nice, matching sweater and skirt she got for Christmas, she'll haul out an old turtle-neck I got from the Red Cross when I was overseas, navy blue, match it with pink mesh stockings and an ancient mustard suede jacket that even her brother threw out, and sally to school.

Nothing: warnings, threats, and appeals to deity, stop her from waltzing around the house in her bare feet.

But she still has an endearing quality, from her childhood; if she reaches for the salt, she spills her milk; if she makes a batch of cookies, it takes three days to clean up the kitchen.

What does she want to be? A nurse? Agh! A teacher? Yeuch! I think her secret ambition is to be a long-haired, shouting singer with a Group.

Unfortunately, her hair is so curly that if she let it grow long, she'd look like a Zulu warrior. But she sure as hell can shout. Especially when she's in the wrong.

As you've probably gathered, I dote on my daughter. I wouldn't trade her for a brand new Cadillac. I'd have to have somebody offer me a Rolls-Royce.

Speaking of cars, I guess I've no kick. She's been 16 for two whole days, and still hasn't asked me when she can get her driving license. A real scatter-brain.

The Nation's Business

By WILLIAM C. SCOTT, M.P.

Cabinet differences over the Mercantile Bank issue broke into the open again this week following revelations that the government has changed policy again on the matter. Reports that the ground rules for Mercantile's continued operations in Canada have been altered for the second time were followed closely by stories of the continuation of the rift between Finance Minister Sharpe and Minister without portfolio Walter Gordon.

Disagreement also apparently exists between External Affairs Minister Paul Martin and Industry Minister Drury over the issue of wage parity between Canada and the U.S. in the automotive industry. The Industry Minister made a speech recently in which he said that it would be inadvisable to bring about wage parity at this time. Mr. Martin has sent a telegram to a Canadian union official in which he states that he is "unreservedly not in accord" with Mr. Drury's statement.

Speculation as to when the recommendations of the Carter Royal Commission on Taxation will be enacted into law range from one to ten years. The Commission reported last week following four years of study. Its conclusions and recommendations take up six large volumes, and, if enacted, would make sweeping changes in the tax structure. Most controversial of its suggestions is that a capital gains tax be imposed. The government has given assurance that time will be given for study of the report and any estimate as to when legislation based on the report will be introduced is pure guesswork.

The Opposition came within five votes of defeating the government on third reading of the bill to implement the proposals of the mini-budget of last December. The vote came after the division bells, which call the members to the chamber rang for over an hour and a quarter to allow Liberal M.P.'s to reach their places. When the vote was taken, the government was forced to rely on the votes of two Social Credit and an Independent to carry the bill by a count of 84 to 79.

CHURCH NEWS

WILBERFORCE U.C.W.

The March meeting of the Wilberforce U.C.W. was held at the home of Mrs. Arthur Saunders, with an attendance of ten members.

An inspiring devotional period was presented by Mrs. T. E. Deterling, which opened with the singing of the hymn, "Blest Be the Tie That Binds". Mrs. Deterling then read the Scripture passages, taken from the 14th Chapter of St. John and the 15th Chapter of Romans, followed by a thoughtful and appropriate reading.

During the study time, Mr. McMaster gave an analysis of St. Paul's quotation, "Put on the whole armour of God", from the 6th Chapter of the Epistle to the Ephesians.

The Roll Call was responded to by a Bible verse, and this was followed by the reading of the minutes and the Treasurer's report. The Treasurer was asked to order a Communion plate, on a motion by Mrs. Mather, seconded by Mrs. Outram. It was moved by Mrs. Sanderson, seconded by Mrs. Mather that another dozen pillow cases be bought. Mr. McMaster described his work among the Retarded Children and it was agreed that a donation be made towards the purchase of Visual Aids to assist in this endeavour.

A moving ceremony based on the Lord's Prayer was conducted by Mrs. Noble, in which a number of coloured candles were used to illustrate her commentary. All present participated in the lighting of the candles and reading a portion of the Prayer. Everyone was impressed by the beauty and dignity of the service

and several asked for copies of the commentary.

Mrs. Noble kindly invited the ladies to her home for the next meeting, to be held April 11th. The minister closed the meeting with prayer. While the meeting was in progress, the ladies had busied themselves edging face cloths for the Red Cross, and these were then handed to Mrs. Sanderson.

Dainty refreshments were served by the hostess, assisted by Mrs. Smith and the members enjoyed chatting over the tea cups.

Inter-Faith Service

The Minden Centennial Committee has planned a unique Centennial Inter-Faith Church Service to be held in the new gym of the Archie Stouffer School.

An interesting programme has been planned with a special invitation given to all youth groups of the area to attend. This includes Scouts and Girl Guides and all related groups. These young people will be taking part in this special service and are busy practicing centennial songs. The guest speaker will be Rev. The Centennial Committee also Ron McCaw of Haliburton.

hopes to have a great open-air service some time this summer. The Committee is to be commended for their effort to have special events for every month of the centennial year and the support of the public is greatly appreciated.

Why not plan now to attend Inter-Faith Service on March 19 at 7:30 p.m.

To-Days Youth (Adults Only)

Would you like to know what makes the youth in your home tick? Would you like to know how you might be able to have a closer and more understanding relationship with them? Then plan to attend the Workshop "To-days Youth (For Adults Only)" which will be one of the many workshops featured at the Faith At Work conference.

This Workshop will be held at the Haliburton Highlands Secondary School on Saturday, April 22 at 8 p.m. Everyone welcome.

Mentally Retarded J.F.K. Branch Meet

The monthly meeting of the J.F.K. Branch of the Haliburton Association for the Mentally Retarded was held on Monday afternoon at the home of Mrs. Sally Mather.

A discussion of the business on hand ensued. A motion was passed that the children attending the Tory Hill school plus those children in the immediate neighbourhood with whom the Association is concerned, be given a special Easter treat. Mrs. Maharie, the Harcourt member, offered to make the purchase.

A number of pairs of well-knit socks and mitts in gay colours, also embroidered pillow cases, were proffered by Mrs. Joan Sanderson and Mrs. Martha Deterling as contributions for the next bazaar.

The meeting then was brought quickly to a close to allow time for a little surprise party for Mrs. Kathy Anderson.

Kathy and her daughter Nancy will be flying to England on March 20 for a visit with her mother and this provided an excellent opportunity for the Association to show their appreciation for the many services and the unselfish devotion that Kathy has accorded this branch.

One of the J.F.K.'s first organizers and a staunch member who has never missed a meeting, she has provided transportation for many of the group and her keen interest in the cause has been a constant inspiration to all.

President Mrs. Dorothy Rivers presented Kathy with a gift from the group plus something for Nancy. Refreshments were then enjoyed, terminating with a gaily decorated cake bearing the words "Bon Voyage".

The next meeting will be held on Monday, April 3 at the home of Sally Mather. One-thirty to three-thirty p.m. is the time to be there and all interested persons will be made most welcome.

INGOLDSBY

Sincere sympathy of our community is extended to the family of the late Dr. Carroll, who passed away in Haliburton last week. Dr. Carroll will be greatly missed.

Mr. and Mrs. Robert Walker of Furnace Falls and Mr. Walter Harrison of Lochlin visited on Tuesday with Mr. and Mrs. Everett Burk.

Mr. Wallace Crofts was a business visitor to Lindsay on Wednesday.

Mr. and Mrs. Cec. Milligan spent a week's vacation with friends and relatives in Bowmanville and Toronto.

Mr. and Mrs. Everett Burk spent Saturday evening with Mr. and Mrs. George Exon of Lochlin.

Mrs. Jack Milburn attended a shower in Minden for Miss Peggy Hewitt on Tuesday night.

A number of cottagers spent the weekend at their summer cottages here.

Sympathy of the community is extended to Mr. and Mrs. Allin Cooper and family on the loss of Mrs. Cooper's mother.

Mr. and Mrs. Garnet Sedgwick of Haliburton called on her mother, Mrs. Alf Crofts, on Sunday.

Mr. and Mrs. Ted Carpenter and Mr. Bert Carpenter called on Mr. and Mrs. A. E. Carpenter on Saturday.

Glad to hear Mrs. Bill Payne is home from the hospital in Peterborough. Hope you are much better Janette.

A number of people from the community attended a Bowling competition in Bancroft on Sunday.

Comment By R. Glen Hodgson, MPP

1967-1968 Estimates of the Department of Agriculture

On Tuesday evening, February 21st, the Minister of Agriculture, the Honourable William A. Stewart, introduced his Department's 1967-68 budget. He began with a review of some of the new programs initiated in this current year and changes made within the Department.

The Minister emphasized the importance of the A.R.D.A. program with its varied aspects, such as the farm enlargement and consolidation plan. Under this plan uneconomic farms are being acquired by A.R.D.A. as they come on the market and subsequently leased to operators of proven ability on a 5-year basis.

Farmers selling their farms are able to obtain assistance for training in other fields, or in the case of elderly people, to retain a lifetime lease on the residence and a few acres of adjoining land. The scope of this program is better appreciated when one learns that 650 farmers are now undergoing training.

Another new program is the increased drainage grant to aid municipalities and farmers requiring outlet drains. Grants will be increased from 33 1/3 to 66 2/3 per cent retroactive to April 1st, 1966.

As of January 1st, 1967, 1000 farmers have taken advantage of the assistance available to them in the field enlargement program. Assistance covers 40% of cost of heavy equipment for removal of fence rows up to a maximum of \$500 per farmer.

A.R.D.A. now includes a total

of 104 projects.

The Ontario Food Council established last year is the first of its kind on this continent. Some of the 40 items with which this Council has already been engaged include new packaging for bacon, and the use of Ontario produce in Ontario restaurants.

The consumer section of this Council will deal effectively with undesirable merchandising practices, and will distribute information on Ontario products to consumers and obtain their views on policies.

As a result of the Vineland Conference, a Farm Income Committee has been formed. This Committee has engaged a firm of agricultural economists to carry out a comprehensive research program to assist the Committee in the development of long-range programs to ensure stability within Ontario's farm economy.

Ten million dollars has been included in the estimates for capital grants for Ontario farmers. The program will involve a total of 129 million, spread over a 12-year period. This extended period was set so that farmers will not be forced to make hasty decisions on how best to use the funds available.

These grants will be available for farm drainage, erection or renovation of farm buildings, paving barnyards, liquid manure, storage tanks, grading, packing and storage buildings, greenhouses, silos, grain storage and milk houses.

Grants are up to \$1000 per farmer, based on 1/3 of the cost on any one or any combination

of the items listed above.

The Minister stressed the fact that, with the addition of this latest program, every farmer in the province is eligible for a total of \$2500 in capital grants.

Estimates of Department of the Provincial Secretary & Citizenship

The Honourable Robert S. Welch, Provincial Secretary and Minister of Citizenship, introduced his estimates on Thursday, February 23rd.

The procedure for discussion of the estimates is called Committee of Supply, during which the Speaker vacates the Chair, and the Chairman of the Committee of the Whole House occupies the Clerk's Chair at the head of the Table. The Chairman announces the vote under consideration, and Members are then free to question the Minister on it. After discussion, objection or amendment, he declares the vote carried, and proceeds to the next.

Estimates of Department of Highways

The Honourable George Gomme, Minister of Highways, tabled his Department's estimates on Tuesday evening, February 28th.

The Minister began by pointing out that, in the current year, some 435 miles of asphalt and nearly 60 miles of pavement had been laid. In addition, 150 miles were re-surfaced and 75 bridges completed.

In 1967-68 municipal assistance will be increased by over 11 million dollars to approximately 165 million dollars; Kings Highways construction is up over 13 million to 173 million dollars, and maintenance up 12 million to 3 1/2 million dollars.

Letters to the Editor

March 8, 1967.

Mr. Berkeley Feir,
Haliburton County Echo,
Haliburton, Ontario.

Dear Sirs:

Now that 'Heart Month' is over for 1967, may I, on behalf of the Ontario Heart Foundation thank you most sincerely for your help and co-operation during our Heart Fund campaign.

The coverage we received from your newspaper surpassed all expectations, and it is due to this fact that our campaign has been so successful.

You have enabled us to inform the public that February was Heart Month in Canada and also what the Ontario Heart Foundation is doing in the field of cardiovascular research.

We have always enjoyed the association with all newspaper representatives and it is a pleasure to look forward to this throughout the year.

Once again, our 'heartfelt thanks' for your assistance and co-operation during February.

With best wishes,

Yours very truly,

Ontario Heart Foundation
Esther M. Richards,
Director of Public Relations.

OBITUARY**CLARA ORR**

Mrs. Clara Orr passed away at the home of her daughter in Lindsay on Monday, February 27, 1967. She was in her 82nd year, and was the last surviving member of the family of the late Peter and Evangeline Harrison of Ingoldsby. She was also the last surviving charter member of the Haliburton Baptist Church.

She is survived by two daughters, Jennie (Mrs. Leslie Hogan) of Lindsay, Ruby (Mrs. Sidney Roberts) of Haliburton; one son, James, also of Haliburton; and two grandchildren, Murray and Shirley-Jean Roberts. Her husband, the late James Orr, predeceased her in January 1940.

She rested at the Funeral Chapel of John Welch and Son, Minden until Wednesday, March 1, when the funeral service was held at 2 p.m. at Lakeside Baptist Church, Haliburton, and was conducted by the Reverend John Smith.

The pallbearers were James Inglis, Bert Curry, Eddie Miller, Bert Howe, Jim and Bill Ward.

Interment was at Evergreen Cemetery Vault.

**Spring Is Just
Around The Corner**

And how thankful we must all be as winter has been quite a long trying one, just as it use to be years ago when we did not have the equipment of today to cope with it. People were always worried for fear of sickness and that they were not able to get to the hospital or get to a doctor. They had to do the best they knew how.

But today things have changed and it is possible to get to the hospital anytime, day or night. Yet there are people who fear going to the hospital as they were always looked upon as whose chances of recovery had all but slipped away. Now people go to hospitals to live; it is a place to go for a rest and care now. Hospitals have become centres of hope, and thanks to the doctors and staffs more and more patients walk out now, relieved of ailments that were once almost fatal.

We are happy to know that those who did go into the hospitals had a nice rest and were able to return home feeling much better.

Merchants Lose Third Game 7-3

The Haliburton Legion Band turned out in full force on Saturday night at the Haliburton Arena to play some stirring march music which they hoped would inspire the Haliburton Merchants to a playoff victory over Sunderland.

The music didn't seem to have any effect on the Merchants who couldn't seem to get untracked against the fast skating, close checking play of Sunderland.

After winning the first two games in the first round of the best four-out-of-seven O.R.H.A. playoff series, the Haliburton team were badly outplayed in this one as Sunderland went on to win by a 7-3 score.

Although the local Merchants lost, the 400 fans in attendance were treated to a thrilling game which supplied a little bit of everything.

Before the game started the Sunderland team protested to the referees on the fact that one of the fluorescent lights near one of the goals was out. To add to the excitement the local fans saw one of their favourite players, George Nicholls, banished from the game in the second period with a one-game misconduct.

In the third period there was more action as the Merchants were awarded their first penalty shot of the season. It turned out

as a goal as Jim Scheffee, taking the shot, beat Woodward cleanly in the Sunderland net.

Sunderland took a 2-1 lead at the end of the first period and never looked back. They had a commanding 6-1 lead at the end of the second and won 7-3.

Jim Scheffee led the Merchants in the losing cause with two goals while Bill Parish scored the other marker.

NOTES ON THE GAME:

The referee was Mark Schell of Haliburton and the linesman was Dave Sawyer of Minden.

Six penalties were handed out with Haliburton getting four and Sunderland two.

The Merchants' goalie, Dick Schell, was injured in the third period but came back to finish the game.

The Haliburton Legion Band played during the two intermissions in the game.

Before the start of the game the 400 fans present observed a minute's silence to the memory of the late Dr. Louis H. Carroll, who was a former coach of the Haliburton Huskies and who contributed much of his time and medical skill in the interest of hockey in this community. His son Christopher is a valued member of the Haliburton Merchants hockey club.

Pictured above is last year's Snowmobile Queen, Nancy Gainforth of Haliburton, with this year's winner and runners-up. Haliburton's Snowmobile Queen for 1967 is Connie Creary, Jean Scott was second, and pictured on the right is Darlene Sawyer who finished third. The judging was done at the Snowmobile Rally Ball held at the Legion Hall.

—Photo by Al Grier

Minden Bow Out To Keswick

Playing before a small crowd at the Haliburton Arena on Sunday afternoon the Keswick Komets defeated the Minden Monarchs 9-6 in an O.R.H.A. playoff game. The win gave the Keswick team a 3-0 lead in games in the best four-out-of-seven series.

The fourth game was scheduled to be played in Keswick last night, but the Monarchs didn't make the trip and conceded the game and the series to Keswick.

Keswick won the second game played in Keswick on Friday night by a 10-4 score.

In Sunday's game played in Haliburton the Minden goal scorers were Al Grier, Neil Burk and Doug Higgins, each with two.

We understand that Keswick will now await the winners of the Sunderland - Haliburton series.

Pee Wees Lose To Oak Ridges

The Haliburton Pee Wees who have been running over all opposition this winter went down to a 4-0 defeat at the hands of Oak Ridges in an O.M.H.A. playoff game played at the Haliburton Arena last Saturday morning.

The win for Oak Ridges gives them a four-goal lead in the two-game total goal playoff series. The second game is scheduled for Oak Ridges this coming Saturday.

The Haliburton Pee Wees won their first series over Bala by two lopsided scores.

A large number of fans from Oak Ridges accompanied their team to Haliburton for the game.

The local Pee Wee team are looking forward to their parents and other local hockey fans to travel to Oak Ridges to give them their support.

Midgets Lose To Little Britain

The Haliburton Midgets opened their two-game total goal to count O.M.H.A. playoff series last Friday night in a losing cause at the Little Britain Arena.

After playing 60 minutes of thrilling hockey the Little Britain team skated off the ice with a 3-0 decision.

The first period went scoreless with Little Britain scoring once in the second period and adding two more in the third.

In the first and second periods the Haliburton team completely dominated the play but were unable to beat a stubborn Little Britain netminder.

In the second period Little

Britain were only in the Haliburton end of the rink on two occasions, and one was a breakaway on which they scored.

The second game will be played at the Haliburton Arena this Friday evening at 8:30 p.m. A large crowd for the game is anticipated, so come on out and cheer the local team on to victory.

Midtown Tigers Lead In Series

Lindsay Midtown Tigers took a one-game lead in their best-of-five Tri-County Senior Hockey League semi-final series with Burnt River last Wednesday night when they defeated the Burnt River boys 5-2.

Pat McCabe led the way once again with two goals for the Tigers, and singles came from Gary Weightman, Gary Lywood and Wayne Hood.

B. Housley and B. Austin scored for the Burnt River team.

Sports Notes

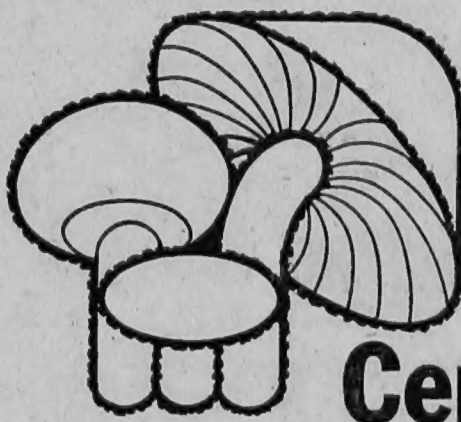

For every winner there has to be a loser. This may be small consolation for the losers but that is the way the puck bounces. In Junior hockey on the weekend Bobcaygeon Ti-Cats won the decisive seventh game against the Woodville Maroons 6-3 before 1,700 fans, with many turned away. The Ti-Cats now meet the Tweed - Madoc Twins in the next round of Junior 'D' playoffs.

Wellington Bombers downed Napanee for their second straight win in a best-of-seven Eastern Ontario championship round at Napanee on Friday night. One player for Wellington scored six of their seven goals. The winner of this series will meet Lindsay Merchants in the next round of O.H.A. Junior 'C' playoffs.

Aurora Tigers, former entry in the Central Ontario Hockey League last year, defeated Georgetown to win their group championship. They had hoped to play Lindsay but Merchants go east.

Sluggish Kidneys May Bring Restless Nights

If you "fight the pillow", toss and turn all through the night and don't really know why — perhaps here's news and help for you! One cause of such restlessness may be traced to sluggish kidney action. Urinary irritation and bladder discomfort may follow. The result can be backache and restless nights. This is when Dodd's Kidney Pills can help bring relief. Dodd's stimulate kidney action, helps relieve the irritated condition that causes the backache. Take Dodd's, and see if you don't feel better, rest better. Don't wait. Ask for Dodd's Kidney Pills at any drug counter. Used successfully by millions for over 70 years.

Dysart Council

(Continued from Page One)
them with a stop watch. When
Deputy Reeve Hobden became
critical of his actions, the Fire
Chief advised him to do the job
himself. "If you don't like it"
said Mr. Roberts, "I'll resign."
"Nothing would suit me better"
shot back Deputy Reeve Hobden.
In future the Law Enforcement
Officer will leave his truck at
the Garage or Municipal
Office when not on duty.

An investigation carried out a
short time ago revealed that a
stamp that was purchased a while
back to identify tools belonging
to the municipality was not being
used in all cases. An inventory
of all tools of the municipality
was requested.

The Clerk was instructed to
write to R. Glen Hodgson regarding
the incorporation of part of
the Township of Eyre into the
park. The council thinks, as
everyone else, that Algonquin
Park is large enough without any
more slices being taken from this

municipality, especially when it
means a loss in tax revenue to
the township of \$4,200.00.

A new floor polisher was ordered
from Rae's Hardware, the
cost of same being \$52.50.

It was announced that the
total assessment of the municipality
now stands at \$2,221,300.

When the resignation of Sidney
Roberts as Fire Chief was
tabled on Tuesday morning it
would seem that Councillor
James Cooper and Deputy Reeve
Hobden were of the opinion that
said resignation was for Road
Overseer as well. However, said
resignation was accepted without
question but the Deputy Reeve
stated that he was far from satisfied
with the attitude of the Road
Overseer and intimated that he
would make it an issue in the
election next fall.

At the time the meeting closed
on Tuesday no decision had been
reached as to the purchase of a
five ton truck for which tenders
were called by the municipality.

Coming Events

Inter-Faith Church Service at
Archie Stouffer Gymnasium, Minden

\$9,000 Fur Sale

Raw Furs valued at over
\$9,000.00 were sold on Wednesday,
March 8, 1967 at Haliburton
by the Haliburton Trappers' Association.
Buyers from Parry Sound,
Jackson's Point, Selby and
Sudbury purchased all the pets
which were offered.

This was by far the best sale
at this time of year the club has
held; owing to the success of the
January sale trappers gave this
one strong support.

One more sale will be held this
year by the club and it is hoped
it will be as good as the previous
ones held this year.
